

SOLUTIONS FOR CORRUGATED

CB7000SQ SQUARING CORRUGATED BUNDLER AUTOMATIC STRAPPING MACHINE

How do you avoid damage to corrugated across your supply chain? It starts with having the right bundling equipment to unitize product quickly, efficiently and securely. Equipment that works as hard as you do.

That's where Greenbridge comes in.

SUPER FAST!
**Up To 24 Bundles
Per Minute**

CB7000SQ Is All Business

FEATURES

Full-color touch screen

is an intuitive, easy to use interface.

Robust, compact direct drive strapping head

The latest DC, German-made DC brushless motor technology provides the industry's highest level of accuracy + reliability.

Siemens PLC control

Provides easy adjustments, TEACH-IN programming + troubleshooting guides.

No-tool strap guide access

How easy is this?

Three-side squaring bundle control

Electric-driven side squaring + backstop devices optimize bundle integrity for strapping. Squaring mechanism with independent control system improves squaring performance over a wider range of bundle sizes.

Automatic bundle size set-up system

The automatic setting mode lets you change bundle size change in 15 seconds, minimizing downtime.

Motorized full-width press bar

Delivers high reliability and stability of the movement. Increase strapping speed with easy adjustments to press bar positions.

Hinged roller table

Ergonomic design makes it easy and effortless to open the table top for cleaning + maintenance.

Ideal for small bundles –

even those as small as 8" (W) x10" (L).

WHERE THE RUBBER MEETS THE ROAD.

CB7000SQ EQUIPMENT SPECS

OPTIONS

- Dual dispensers with auto coil change
- Uplift support for heights greater than 39"
- Greenbridge quality polypropylene strap
- Greenbridge equipment maintenance program

ABOUT GREENBRIDGE

Founded in 1974 as Polychem, we rebranded in April 2021 as Greenbridge to reflect our commitment to providing proactive solutions to customers across North America seeking to achieve more sustainable, high-performing operations. Our early reputation was based on our quality polyester, polypropylene and cord strapping. Today, years of growth and strategic acquisitions have made Greenbridge a leading end-of-line packaging supplier, with integrated solutions that encompass tools, equipment, systems, and services that help tame the most challenging supply chains.

Greenbridge is committed to the safety of our team, the quality of our products and services, investing in continuous improvement, advancing the circular economy, and fostering sustainable customer success.

It's easy to find a supplier to sell you equipment.

It's another thing to find one who understands your business.

Talk to Greenbridge.

G GREENBRIDGE

7/30/2021

Service Is Everything

Greenbridge will train your people, service your equipment, perform preventive maintenance, and rebuild strapping heads.

It's what we do. Gladly.
